Project B.E.A.R. was founded in memory of Jeremiah Joseph Spering, who was stillborn at 37 weeks on April 17, 2008 & Vincent Joseph Spering who was born June 2, 2009 and passed away June 15, 2009.

We draw strength from our son's namesake verse Jeremiah 29:11

"For I know the plans I have for you," declares the LORD, "plans to prosper you and not to harm you, plans to give you hope and a future."

The knowledge that we will one day hold our children again fills us with hope.

Project B.E.A.R. sends teddy bears to hospitals as well as to individuals who request them.

Our bears provide tangible comfort & support to families navigating the challenging path of loss.

We also send bears to families with a baby in the Neonatal Intensive Care Unit & to those struggling with infertility.

Anyone suffering the pain of a child's absence is welcome to a bear from Project B.E.A.R.
